AREAS OF EXPERTISE

Personal Injury, Clinical Negligence, Sport, Inquests & Inquiries

Charlotte is interested in all core areas of Chambers' practice, with a particular interest in personal injury, clinical negligence, sport, and inquests.

Before pupillage, Charlotte worked as a County Court Advocate, representing clients in a variety of small claims track trials and interim hearings. She also worked as a Serious Injury Paralegal, where she gained experience on intermediary/multi-track cases.

Having always had an academic interest in Medicine, Charlotte first read BSc Biomedical Sciences, graduating with First Class Honours, before obtaining a distinction in the Graduate Diploma of Law. Charlotte then combined these two degrees completing an MA in Medical Law and Ethics at King's College London whilst working full-time.
