AREAS OF EXPERTISE

Personal Injury, Clinical Negligence, International & Travel,
Industrial Disease, Product Liability, Inquests, Costs &
Litigation Funding, Environment

Christopher specialises in personal injury claims, with a particular focus in clinical negligence, cross-border disputes and industrial disease. He is regularly instructed in high value and complex matters. He appears for Claimants and Defendants in trials, application hearings and case management conferences. Christopher is a skilled and tenacious advocate with a good eye for detail.

Christopher is frequently instructed on paper-based matters, and regularly advises clients on questions of law, procedure, and strategy.

Christopher is also qualified to practice in Northern Ireland and regularly receives instructions to appear in court in both jurisdictions.

International & Travel

Christopher regularly accepts instructions in cases involving injury abroad, in particular claims brought under the Package Travel Regulations. He is comfortable advising on issues of applicable law and jurisdiction and is happy to accept instructions on disputes brought under the Montreal and Athens Conventions.

Christopher has a particular interest in foreign clinical negligence claims and is developing a specialty in negligent cosmetic surgery obtained abroad.

Christopher grew up in France and speaks French fluently. He studied Russian to university level.

He is a contributor to the "Accidents Abroad" chapter of Butterworths Personal Injury Litigation Service and a regular contributor to 12KBW's International & Travel Blog.
