### AREAS OF EXPERTISE

Personal Injury, Insurance, Employment & Discrimination, Sport, Clinical Negligence

Finn joined chambers in October 2025 following the successful completion of her pupillage under the supervision of Catherine Peck, Dan Tobin and Kweku Aggrey-Orleans.

He has experience in all core areas of Chambers' expertise with a particular interest in personal injury, clinical negligence, employment and indemnity.

Finn has a busy court practice with multiple hearings a week. Of particular note, he has been instructed in hearings involving allegations of fraud, indemnity issues and costs arguments.

He has a growing paperwork practice, having drafted pleadings in personal injury and clinical negligence disputes including misdiagnosis resulting in fatality.

Prior to pupillage, Finn worked as a chef under Tom Kerridge and travelled extensively before becoming a paralegal in the clinical negligence team at Stewarts Law LLP. In this latter role, Finn's work focused specifically on high value serious injury claims.

In his spare time, Finn can be found tending the wildflower meadow he has established or playing rugby.

### Sport

---

Finn played high level competitive sport throughout school and university with a specific focus on rugby union, which he continues to play for Belsize Park RFC.

His background in sport has produced a keen interest in sports disputes. This is something that Finn developed in pupillage for example when he worked on written submissions for a golfer's disciplinary tribunal hearing.

Finn is currently working on an article about the judgment in *Pogba v Nado Italia* for LawInSport.
