Finn joined chambers in October 2025 following the successful completion of his pupillage under the supervision of Catherine Peck, Dan Tobin and Kweku Aggrey-Orleans.

He has experience in all core areas of Chambers' expertise with a particular interest in personal injury, clinical negligence, employment and indemnity.

Finn has a busy court practice with multiple hearings a week. Of particular note, he has been instructed in hearings involving allegations of fraud, indemnity issues and costs arguments.

He has a growing paperwork practice, having drafted pleadings in personal injury and clinical negligence disputes including misdiagnosis resulting in fatality.

Prior to pupillage, Finn worked as a chef under Tom Kerridge and travelled extensively before becoming a paralegal in the clinical negligence team at Stewarts Law LLP. In this latter role, Finn's work focused specifically on high value serious injury claims.

In his spare time, Finn can be found tending the wildflower meadow he has established or playing rugby.

International & Travel

Finn accepts instructions for both claimants and defendants in international and travel claims and has experience in cases governed by Rome II and claims brought under the Montreal Convention.

Finn's paperwork practice includes recently having been instructed to draft pleadings in a claim under the Montreal Convention which involved a passenger suffering a serious knee injury during a flight with a major airline.
