### Fraud

---

Henry regularly advises, pleads and appears in trials involving allegations of fundamental dishonesty, particularly in respect of low velocity impacts and staged accidents. He is confident in advising and advocating in respect of the disapplication of the QOCS provisions. He has been commended by his clients for his attention to detail and robust trial advocacy in such cases.

During his pupillage, he was involved in a number of cases involving motor fraud rings suspected to be linked to serious organised crime. This involved induced and staged accidents, at all stages of claim. Henry is very keen to undertake further work for Defendant firms in this area.
