AREAS OF EXPERTISE

Personal Injury, Fraud, Costs & Litigation Funding, Product Liability, Public Authority Liability, Insurance

Oliver has a wide-ranging practice with extensive experience in dealing with a range of cases from those involving brain injuries and chronic pain, to cases involving alleged defective products, and exaggerated and fraudulent claims.

Oliver regularly acts for leading national and international insurers and is frequently instructed in advisory as well as costs matters. He has frequently been instructed in cases valued at over £1m.

Oliver's areas of expertise include the following: –

- Complex orthopaedic injuries including amputations;
- Pain and psychiatric disorders including functional neurological disorders, "CPRS" Complex Regional Pain Syndrome, somatoform disorders, chronic pain and fibromyalgia;
- Brain Injuries and neurological pathology including strokes and degenerative diseases;
- Road traffic accidents involving catastrophic injuries and fatalities including considerations of drug and alcohol use, and accidents involving e-scooters;
- Fraud and exaggerated claims (including use of surveillance and social media evidence);
- Fatal Accidents;
- Injuries and damage arising from alleged defective products;
- Procedural issues including those of service and alleged procedural defaults;
- Costs.

Fraud

Oliver's experience covers all types of fraudulent claims including staged and induced accidents, invented accidents and phantom passenger claims.

Oliver deals with both individual claims as well as large fraud rings. He regularly advises and drafts proceedings in

cases of this nature and has successfully defended cases for leading insurers with findings of fundamental dishonesty.

Oliver advises parties in all aspects of fundamental dishonesty and fraud and has extensive experience of related costs and associated procedural issues. These include:

- Use and deployment of surveillance evidence and social media evidence; Similar-fact evidence;
- Wasted costs applications;
- Third party disclosure and costs applications;

Oliver has dealt with fraudulent and suspected fraudulent claims in a number of contexts including road traffic claims, disease claims, claims against local authorities, claims against employers and those within the construction and agricultural industries.

Oliver's cases have included:

- Acting for the Defendant in successful disposal of a case intimated at over £3.5 million, with the case disposed of at a fraction of this value;
- Acting for the Defendant, successful finding that road traffic accident had been intimated involving vehicles acting in concert to induce a collision on a slip-road. Findings of fundamental dishonesty against Claimant;
- Successful strike out of the Claimant's claim following road traffic accident following cross examination and enforcement of costs in favour of the Defendant pursuant to r.44.15(1)(c). Successful application for wasted costs against the Claimant's legal representatives following contested costs hearing;
- **Da Costa & Anor v Sargaco & Anor** [2016] EWCA Civ 764. Represented the Defendant at first instance. Case involving judicial decision to exclude one Claimant from court whilst the other gave evidence.
