JUDICIAL APPOINTMENTS

Recorder of the Crown Court: 2012

Patrick is a specialist in Insurance, Personal Injury and International/Travel law. He acts for Claimants and Defendants in insurance and policy construction disputes, complex catastrophic personal injury claims, property damage claims and cross jurisdictional litigation.

Personal Injury

Patrick is instructed in the highest value claims and has in the last few months handled several claims pleaded at over £30m. He has expertise in sports related injuries (particularly head injuries). He has an excellent grasp of scientific and technical issues and is regularly instructed in complex liability disputes.

International & Travel

Patrick has expertise in cross-border personal injury actions, transport accidents, holiday claims and jurisdiction disputes. He has a particular knowledge of EU motor insurance guarantee funds.

Insurance

Patrick is regularly instructed in pure insurance disputes involving property damage, liability cover, DOO cover, health/life cover and transport risks.

Industrial Disease

Patrick has extensive experience of litigating asbestos claims for claimants and defendants.

Aviation

Patrick has extensive experience of claims involving the application of the EU Motor Insurance Directives, jurisdiction issues and the application of Rome II, as well as expertise in cross-border personal injury actions, transport accidents, holiday claims and jurisdiction disputes.

Recent experience includes;

QF32 – Advising on PTSD claims brought by 150 occupants of an A380 that experienced an uncontained engine failure. My aviation experience/knowledge assisted with understand the accident mechanism, recognising the salient parts of the ATSB reports and understanding the process that led to the aircraft being stuck on the tarmac for over an hour when

it eventually did land.

Gyrocopter claim – Instructed in a fatal claim involving a self-build gyrocopter, acting for the builder. Other parties were the CAA and PFA. Complex engineering/regulatory issues.

London Helicopter Centre claim – acted for a customer in relation to substandard maintenance and consequential loss of use.

Property Damage

Recent examples of Patrick's property damage work include multi-million pound claims involving faulty air conditioning units at a banking data centre, inadequate cladding falling from an industrial building, and losses flowing from an explosion at a brewery.

Emerging Areas

Drones, self-driving cars and the claims and obligations of the imminent EU General Data Protection Regulation are all areas in which Patrick has developed technical knowledge to combine with his general insurance practice in order to advise clients on the challenges ahead.
