Cases

AZO v D [2/25, QBD]: represented Defendant in heavily contested quantum claim arising out of TBI suffered by Claimant as a front seat passenger; fundamental dishonesty raised and pleaded in immediate run up to mediation and trial; £13m Schedule (less 15% for seatbelt issue) compromised for circa £1.25m gross. Settlement approved.

AEF v GKL [12/24, QBD]: acted for Claimant suffering TBI in construction accident; liability issues compromised; quantum thereafter compromised for a lump sum; Claimant in receipt of NHS CHC funding for 24/7 care. Settlement approved.

Q v R [9/24, QBD]: represented Defendant coach company in RTA involving coach being driven into a car conveying a teenage boy to school; he suffered TBI; pre-existing condition of very severe autism; complex medical and causation issues; lump sum settlement ultimately approved by Court.

DAX v Morgan [8/24, QBD]: acted for Claimant; TBI in head on collision; need for 24/7 care; at early JSM (when the discount rate was negative) the motor insurers agreed to purchase a house for the Claimant and her husband for their joint lives; approved settlement eventually reached for lump sum + periodical payments for almost all heads of future loss (so not just care and case management and deputyship/Court of Protection fees).

HIJ v EGF [1/24, QBD]: acted for Claimant who suffered TBI in 2019; he had previously been compensated for a TBI

suffered in 2011; eight figure settlement (including periodical payments) approved.

LJP v D1 and MIB [11/23, QBD]: acted for Claimant on liability issue; pillion passenger on uninsured motorcycle being ridden by boyfriend; he was four times+ over the legal limit for alcohol; head on collision; he was killed; Claimant suffered TBI; helmet issues; plus, knowledge of lack on insurance on her part; liability compromise approved.

KTW v D1 and D2 [9/23, QBD]: represented Claimant who suffered TBI when pedestrian; Nigerian national, over-staying on visiting visa; 30+ experts in the case; compromised for lump sum, periodical payments for care and case management for life in the UK, and provisional damages.

J v R [12/22, QBD]: acted for Defendant in TBI claim where Claimant was injured in 1993 (aged 13); claim settled in 1998 for £1.3m; in 2015 new solicitors sought to re-open the case; the Claimant's settlement had not been approved by the Court in 1998; application by the Claimant was successful; the evidence was that the Claimant had lacked capacity throughout the whole of the period since the accident; in 2011 the Claimant had suffered a stroke caused by her TBI; lump sum settlement (approved by the Court) reflected 24/7 care needs for life.

Johnson v Savigni and Another [9/22, QBD]: acted for Defendant in TBI claim; made successful late application (one month before trial) to admit surveillance evidence; amendments to pleadings alleged fundamental dishonesty; claim settled for 1/3rd of reasonable Defendant valuation during week before trial.

H v E [7/22, QBD]: represented Defendant; Claimant suffered TBI when aged 8; subsequently developed meningitis leading to bilateral hearing loss; approved settlement of claim reached 14 years post-accident; lump sum approval provided compensation for, inter alia, care, loss of earnings, and Court of Protection/deputy costs.

LDF v D [1/22, QBD]: acted for Claimant in RTA claim (HGV turning left, cyclist undertaking); very serious leg injury; settled at JSM.

MS v D1 [1/22, QBD]: represented Defendant in RTA TBI claim involving minor; compromised and then approved 15 years after the accident.

JC v D1 and D2 [10/21]: acted for D1 in claim arising out of fall from balcony; D2 was brought into the action because of alleged negligence regarding discharge from hospital without appropriate drugs following development of DVT; quantum resolution approved.

JR v MIB [3/21, QBD]: acted for Claimant in claim against identified but untraceable driver; spinal injuries; compromised at JSM.

NK v MIB [1/21, QBD]: acted for Claimant rendered paraplegic in motorcycle accident; liability and quantum resolved at mediation.

NW v D1 [7/20, QBD]: represented Defendant in case involving a motorcyclist colliding with the trailer to a combine harvester and suffering catastrophic injury; compromised at JSM.

OK v D1 and D2 [2/20, QBD]: acted for Claimant rendered tetraplegic in RTA; insolvent insurer and FSCS issues relating to periodical payments; settlement approved.

WF v D [11/19, QBD]: acted for Defendant in quantum dispute arising out of the death of the Claimant's father; the Claimant was autistic and orphaned by the loss of his father, his mother having previously died of cancer. Mediation resolved the claim.

YLT v D [9/19, QBD]: acted for Claimant in PVS case with split liability and complex statutory funding issues; notwithstanding 40% discount, the Claimant was ultimately discharged home with a complete 24/7 care package meeting his needs.

J v. P, D2, X and D4 [6/19, QBD]: defended PVS claim of unrestrained passenger; *Froom v. Butcher* issues; compromised eve of trial.

Williams v. Rawson [3/19, QBD]: represented Defendant in cauda equina acceleration case; experts poles apart [6m/15y]; settled for circa 10% of schedule at JSM.

Webb v. Lake [3/19, QBD]: represented Claimant suffering catastrophic upper limb injury in particular; settled for £2m+ at JSM (no PPO).
