AREAS OF EXPERTISE

Personal Injury, Industrial Disease, Clinical Negligence,
International & Travel, Fraud, Public Authority Liability,
Public Inquiries

Rachit specialises in personal injury, industrial disease, clinical negligence and international and travel law. He is ranked in the legal directories for personal injury: industrial disease (Band 2, Chambers & Partners) and clinical negligence (Tier 4, Legal 500). He is described as “**a strong advocate**”, who “**excels at understanding both the overall picture and the important details of the case. He has a great manner with clients**”.

His industrial disease practice focuses on mesothelioma claims and other asbestos-related diseases.

His clinical negligence practice includes birth-related claims, surgical negligence and delayed diagnosis in oncology and other disciplines.

He acts for claimants and defendants in high value and complex litigation. He has particular expertise in cases with an international element, including jurisdictional challenges, cases involving foreign law and accidents abroad.

Rachit has experience in cases involving a public law aspect, including liability of public bodies such as the Ministry of Defence. He was instructed in the Undercover Policing Inquiry, as well as having an established inquest practice.

He is instructed in claims involving issues of national security including sensitive military deployments or undercover policing.

Having studied Human Genetics for his first degree, Rachit applies his knowledge of scientific and medical issues to the law.
