

## Rebecca Henshaw-Keene

Call: 2021

henshaw@12kbw.co.uk

## **AREAS OF EXPERTISE**

Personal Injury, Group Litigation, Industrial Disease, Aviation, International & Travel, Costs & Litigation Funding, Inquests, Insurance, Abuse

Rebecca has an established practice across Chambers' core areas of expertise and is developing specialisms in group actions and industrial disease.

In **group litigation**, Rebecca is instructed on a number of complex and high-profile multinational actions in toxic torts, product liability, and military claims. She has a growing practice in aviation disputes.

In **industrial disease**, Rebecca is instructed in claims arising from exposure to asbestos as both sole and junior counsel. She is also experienced in claims for injuries caused in military service.

Rebecca is currently instructed as a second junior Counsel to the largest group of patients and families participating in the <u>Lampard Inquiry</u>.

Before pupillage, Rebecca taught contract administration and law at University College London. She studied History at Newnham College, Cambridge, where she graduated with a first-class degree

## **Inquests and Inquiries**

Rebecca is instructed as a second junior on the Lampard Inquiry.

She acts for families at inquests, including those arising from industrial disease.

Rebecca has experience preparing for prison and healthcare inquests as a paralegal in a public law firm. She is able to work quickly and accurately with large amounts of disclosure. She has experience of working in the health, adult social care, and prison systems.
