AREAS OF EXPERTISE

Clinical Negligence, Personal Injury, Inquests, Costs & Litigation Funding, Sport

Vanessa specialises in clinical negligence. She acts predominantly for claimants and her practice encompasses a huge range of medical specialties. She has particular expertise in birth and obstetric injuries, spinal injury and brain injury. Vanessa is Joint Head of our Clinical Negligence Team.

Vanessa is ranked for clinical negligence in both the Legal 500 and Chambers & Partners. She is known for her warmth and sensitivity and her extensive medical knowledge.

She also has considerable experience in personal injury, inquests and costs.

Costs & Litigation Funding

Vanessa is a member of Chambers' costs team and regularly appears in cost hearings. These include costs and case management conferences, costs applications, summary and detailed assessments. She is very familiar with the MOJ Protocols, QOCS and the attendant costs rules and is often instructed to deal with technical costs questions.
