12KBW
Clinical Negligence Team

12KBW is known for its impressive Clinical Negligence Team ranked in the Chambers & Partners Bar Guide

Our team consists of more than 50 leading silks and juniors. Members of the group have been involved in leading cases including high profile, group and multi-party litigation.

Our breadth and depth of experience ensures we can provide a well-suited barrister (or team of barristers) no matter the complexity or scale of the litigation.

We have vast experience of all aspects of clinical negligence cases on behalf of both claimants and defendants, from the County Courts to the Supreme Court.
